farm
make it into
the river

Trash from a
neighborhood
makes it into
the river

Trash from a
neighborhood
makes it into
the river

Trash from a
neighborhood
makes it into
the river

Trash from a
shopping mall
makes it into
the river

Trash from a
shopping mall
makes it into
the river

Trash from a
shopping mall
makes it into
the river

Chemicals and heavy
metals from a
mine
make it into
the river

Chemicals and heavy
metals from a
mine
make it into
the river

Chemicals and heavy
metals from a
mine
make it into
the river

Uh oh!
Pollution from
all impact sites
makes it into
the river

Lucky you!
Pollution does not
make it into the
river this round
