

Join the conversation!

Share your art, photos, and stories about water with We are Water for a chance to be featured in the traveling exhibit and online gallery.

With a parent or guardian, scan the QR code or visit the URL above to start sharing.

Exhibit Passport

Build in the Sandbox

Play with the sand to create mountains & lakes. Use your hands to make it rain!

Draw what you created!

Tell someone else how you made your mountains and lakes.

Play Connect Four

Get four game tokens that are the same type and color in a row!

Find two game tokens that would be found in nature together.

Draw where you would find the tokens in nature.

Be a Water Manager

Fill clouds with water, choose how you want to use the water & release the rain!

Where did you send the water?

Circle or mark your answer(s) below.

Agriculture

Mining & industry

Downstream sharing

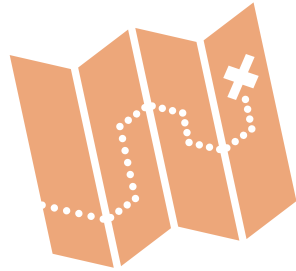

Cities, towns & taps

Environment & recreation

Tell someone else why you sent the water where you did.

Visit and play with each piece of the exhibit. Fill out your passport to win a We a Water Sticker!

To receive your sticker, please talk to a Ignacio Community Library staff member.

Create Water Art

Color a mosaic tile or create your own art & hang it up to share with others!

What did you create?

Circle or mark your answer(s) below.

Mosaic Tile

Your own art

Find a piece of art that someone else created.

How is it similar to your art?
How is it different from your art?

Explore the Touchscreen

Play the sound game!

Touch the screen to wake it up & select the 'Sounds' category.

What sounds have you heard before in nature?
